## Victims' Rights & Resources

Sierra Vista College of Applied Science & Technology Campus

## SUPPORTIVE & PROTECTIVE MEASURES

The University offers a range of resources to students and employees impacted by sexual assault, domestic violence, dating violence, and stalking. These actions can be enacted quickly, even before (or without) a complaint being filed and will be confidential to the extent allowable under law and policy. Measures can include no contact orders, changes to on-campus housing or work locations, changes to class or activity schedules, and transportation assistance. University students and employees can contact the **Office of Institutional Equity** at (520) 621-9449 or [equity@arizona.edu](mailto:equity@arizona.edu).

## VICTIMS' RIGHTS

Victims have multiple options regarding the involvement of law enforcement and campus authorities including the option to: notify law enforcement authorities, including on-campus and local police; be assisted by campus authorities in notifying law enforcement; or decline to notify such authorities.

Whether or not a victim chooses to involve law enforcement or a campus disciplinary authority, the University provides victims with information on existing counseling, health, mental health, survivor advocacy, legal assistance, visa and immigration assistance, student financial aid and other support and resources. Information is available through the **Survivor Advocacy Program** at (520) 621-5767 or [survivorsupport.arizona.edu](mailto:survivorsupport.arizona.edu), and the **Office of Institutional Equity** at (520) 621-9449 or [equity@arizona.edu](mailto:equity@arizona.edu).

Victims of a crime in Arizona have the right to be treated with fairness, respect, and dignity, and to be free from intimidation, harassment, or abuse through the criminal process. All state, county, and municipal justice agencies and courts are required to perform certain duties to ensure that victims receive their rights. To request a copy of the full text of Arizona victims' rights laws, contact the **Arizona Attorney General** at (866) 742-4911 or go to [azag.gov/criminal/victim-services](http://azag.gov/criminal/victim-services).
